

Week 5 – Every Good Endeavor

Text: Colossians 3:22–25

Topics: Vocation, Job, Work, School

Big Idea of the Message: We are to serve Jesus at and through our school and job.

Application Point: Treat every person at school and work—whether a teacher, fellow student, coworker, or an angry customer—as if Jesus was in them or standing right behind them.

Discussion Questions:

1. What is one thing that stood out to you from this week’s message?
2. Let’s discuss our jobs: What do you do? (Being a student or a stay-at-home parent is a job too!)
3. Now let’s apply the sermon: How can we disciple people at work? How can we disciple at school? As a group, let’s come up with a tangible plan.
4. How can we keep each other accountable?
5. What scares you or excites you about this prospect?
6. How can we pray for you?
